DEDICATION

As we graduate from high school and look forward to an uncertain future, memories of our high school days unfold before us. Amid happiness and sorrow, success and failure, smiles and tears, friendships won and friendships lost, lingers the memory of a teacher who helped us across the hazards and inspired us to greater heights.

It is to him, Hubert Bynum, jolly, understanding, and sympathetic, that this volume of the Coronal is sincerely and affectionately dedicated.

THEME

... HOT RODS

Imagination, desire, vitality, experiment, dreams; these are youth's contribution to progress. This is best exemplified by the "Hot Rod," the theme of our 1957 Coronal. Split manifolds, dual exhausts, shaved cylinder heads, dual carburetors, and underslung bodies are a few of the many ideas of youth which have made the automobile what it is today.

The "Hot Rod" is but a symbol of youth's ingenuity. It is conceivable that some of our own class will in some measure contribute to the advancement of music, science, industry or culture.

The 1957 Coronal is a pictorial review of the activities of the past year. The students who took part in these events have displayed their abilities and leadership. It is expected that these qualities will carry over into their chosen fields and it is hoped that the "Hot Rod" symbol will spur them on to bigger and greater accomplishments.

AUTOGRAPHS

This year the Juniors have had a very active class. Besides giving their very successful class play, "Junior Prom," and sponsoring the Junior-Senior Prom, they gave a really cute assembly and had a big skating party.

The Class of "59" started out the year with a bang. They had a Bar BQ and a skating party. They also gave several short plays for the student body and sponsored a Sock Hop.

ENGINE

SENIORS

The Seniors of C. H. S. are the all important engine of our "hot rod." The Engine of the car supplies the power; to "go" just as the Seniors supply the "go" for our school.

FOOTBALL ACTIVITIES

The Bon Fire and Car Parade was really a big success this year and a lot of fun for all those who participated. Yells and songs were lead by our Cheerleaders. They also headed the "Snake Dance" which wove in and out between the three fires built by the Senior, Junior, and Sophomore classes. The annual affair got this year's Football Season off to a real "peppy" start.

HALLOWEEN DANCE

Everyone had a swell time at the Halloween dance this year. There were quite a few booths for food and for games of various kinds. The Hi-Y sponsored the fortune-tellers booth, the seniors had a telegraph booth, and the girls' league had a spook house.

NEW YEARS' DANCE

The New Year's dance was a huge success. The Band Boosters sponsored the dance and hired a band from Arcadia High School. They were really terrific. Everybody had fun and oh, the noise at 12 o'clock.

SWEETHEART BALL

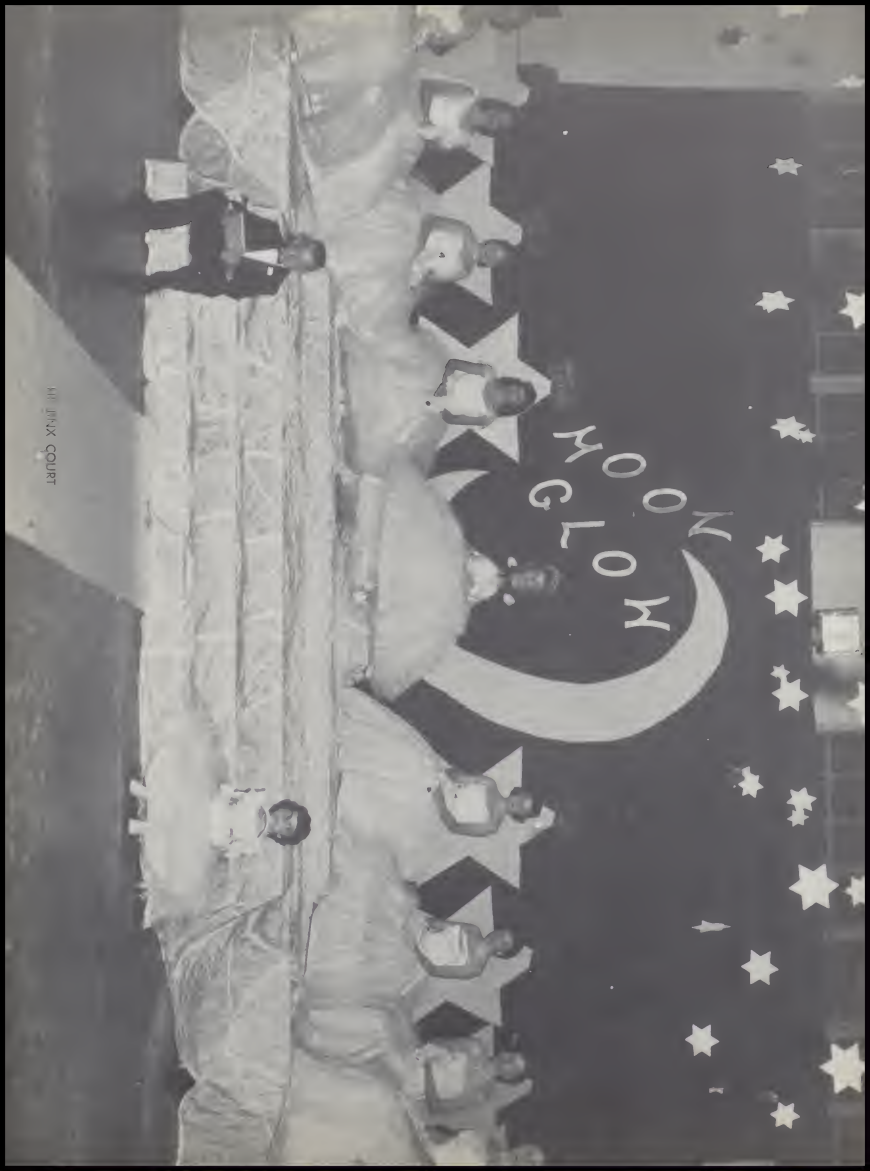

Pat Burke was crowned "Miss Sweetheart" by Ann Robinson at the annual Sweetheart's Ball which is sponsored by the Ko-Hi-Nur. Marlene Denny and Jeannie Jahn were her Ladies-in-waiting while they represented the Senior and Sophomore classes. John Colladay was Pat's escort.

SWAN SONG

When we started work on our "hot rod" last year we were all new and had little knowledge of the hardships that lay ahead.

Among the things that made this year's Coronal class a memorable one were: the unmet deadlines, working during lunch, and the trips to Monrovia. I can remember Larry's driving all the way from Monrovia to Fontana to find an eating place suitable for Betty.

During the course of the year lots of things irritated me, but looking back its different.

Richard's constant talking of cars slowed up everyone's work, Diane and Margie were always drawing ridiculous cartoons and writing

silly poems. Sally's constant reminders that she and Bobbie couldn't type never got them out of it. Pat's chemistry homework and "the girls" singing filled leisure time.

I give my thanks to Pat for her work as Photography Editor, to Gerrie, who ran our finances efficiently; to Larry who was always there when needed, to Ty whose constant prodding kept me going, to Frankie, my secretary, who successfully gave the publishers the illusion that I could write, and to the whole staff for their hard work.

A very special thanks to our advisor, Mr. Pauly, who kept us all informed and quiet, and to Rudy, our trusted photographer, without whose pictures there would have been no Coronal.

I would also like to thank the student body and faculty for their co-operation.

We have tried to make the 1956-57 Coronal a book for the whole school and we hope it will be enjoyed by everyone.
